Hello!

How are you? I hope you are well, as well as your families.

We are starting our online English lessons.

To start with, I'd like you to tell me how you spend your time at home.

For example:

- how long do you sleep?
- what time do you get up?
- how much time do you spend in front of your computers? smartphones?
- what do you play? read? listen to?
- how much time do you spend studying?
- how do you spend time with your parents? brothers and sisters? pets?
- how much time do you spend outside? what do you do there?
- how do you feel? happy and relaxed or sad and bored?
- ...?

These questions are just to help you with your answers, you don't have to answer all of them. You can answer the way you want to. You may:

- write,
- record a film,
- record a voicemail,
- draw a picture,
- make a poster,
- make a presentation,
- take some photos.
- ... .

There is one general rule - make it in English!
